

## **Meet The Webb's**

*Brennan & Kathy*

*Josiah, Sarah, Jonathan,  
Joshua, and Joseph*

We welcome Brennan Webb and his family to FBC Havana this morning. Brennan is a candidate for our Part-Time Youth Minister position. Brennan and Kathy make their home outside of Quincy, and have been actively involved in local church ministry since they've been married. Brennan became a follower of Jesus Christ at the age of 11, and through the spiritual encouragement of his youth pastor at FBC Quincy flourished in his walk with Christ.

Brennan is a 2009 graduate of the Boyce College in Louisville, KY, where he earned his Bachelor of Science degree in Pastoral Studies. Brennan has actively served as a lay leader in youth and church ministry in churches in Kentucky, Indiana, and Georgia. He has a heart burden to reach students with the gospel and to come along side parents in the discipleship process of their children.

Please join us in seeking God's direction for our church family as well as His direction for the Webb's.

## **"When God's Preeminence is Restored"**

2 Chronicles 29

**Critical Concept:** Obedience and reverent submission is lost when God's preeminence is diminished, but when a proper understanding of His preeminence is returned, the hearts of people are moved to proper personal and corporate holiness.
