

"A Missed Opportunity"

2 Kings 8:28-9:29

Critical Concept: God's patience and kindness toward people in rebellion to Him is not indifference, it is intended to provide an opportunity for them to repent before it is eternally too late.

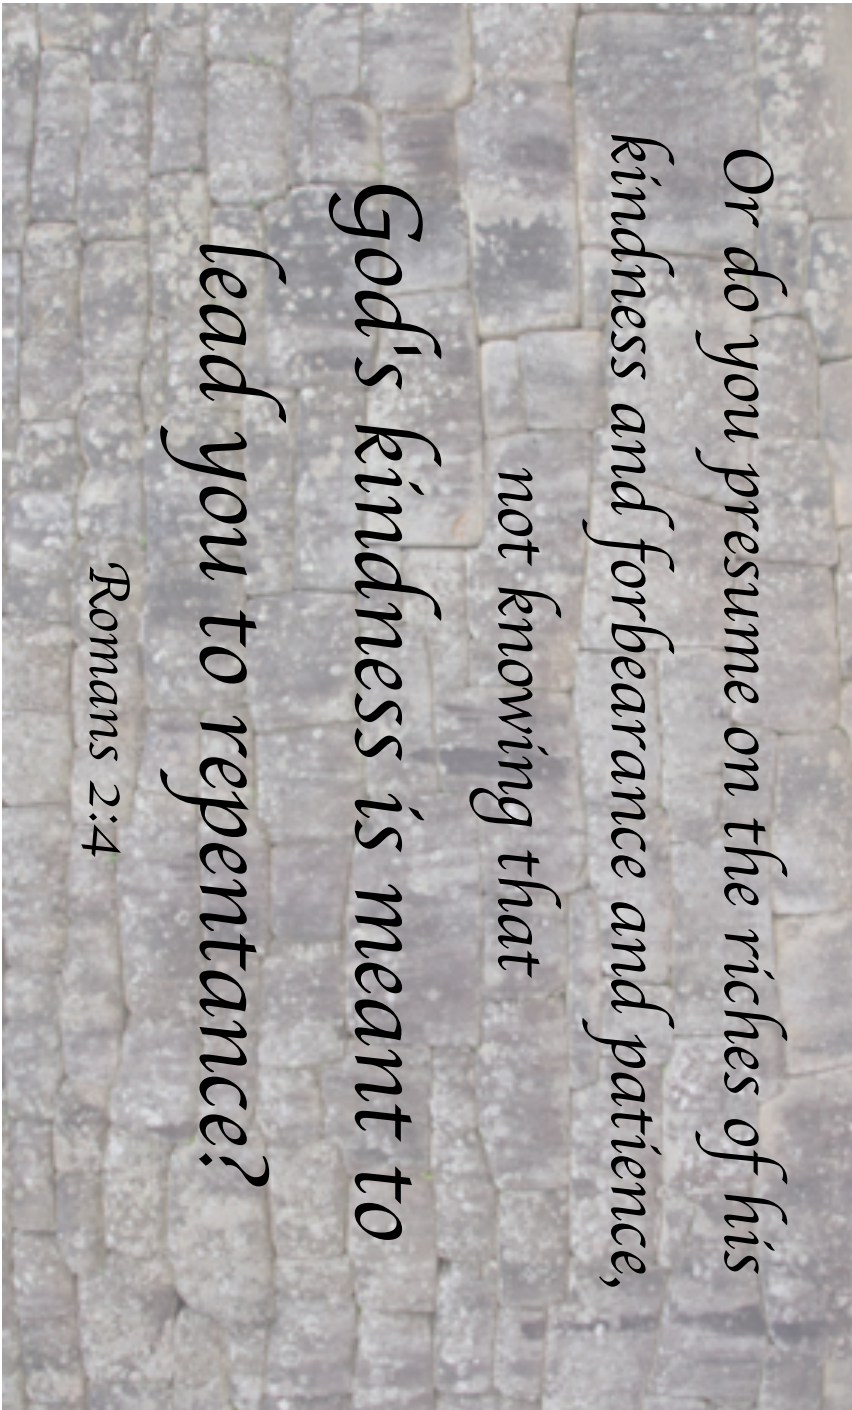

I. Man's Opportunity ...

II. God's Judgment ...

- A. A return to Ramoth-gilead.
- B. An anointing of God's instrument.
- C. The outworking of God's judgment.

III. The Offer of Peace.

What is God Saying to Me? (Personal Application)

*Or do you presume on the riches of his
kindness and forbearance and patience,
not knowing that
God's kindness is meant to
lead you to repentance?*
