We remember mothers, grandmothers & great grandmothers  
who are no longer with us  
but who live forever in our memory  
and nourish us with their love.  
Amen.

## "The Spiritual Dynamics of Parenting"

Selected Scripture

**Critical Concept:** Understanding the spiritual needs and struggles of your child helps the Christian parent deal graciously and patiently with them as they navigate life and faith in a fallen world.

### I. Your Child is a Spiritual Individual.

**A. As cute as they are, they are born spiritually dead.**

**B. Being a "good kid" isn't evidence of spiritual life.**

### II. Your Child Needs to be Spiritually Nurtured.

**A. Diligently teach your child ... *don't just send them to church.***

**B. Your life should reflect the truth that you are teaching your child.**
