

"When Life Gets Out of Focus"

1 Kings 10 & Ecclesiastes 12:13-14

Critical Concept: Life is a gift from God that is meant to be enjoyed for His glory, but beware of the pull to enjoy the blessings of God apart from the glory of God, because life will quickly drift into a meaningless chasing after the wind.

I. Blessed Abundantly by God.

A. Solomon and God's abundant blessings.

B. The blessing & the lies we believe.

II. Enjoying Life for God's Glory.

A. When life is just *"lacking"* ...

B. *"Looking back, let me share what I've learned."*
